### **Summer Camp 2017**

It is with much disappointment that we write this letter. Due to major construction that will be taking place this summer at Riverdale HS, we will be forced to cancel the Brookwood Basketball Summer Camp for the Summer of 2017.

In a letter from the Lester B. Pearson school board representative, it was explained that there will be major work done on the school. This includes:

- All stairways, fire doors and emergency exits brought up to fire code
- The replacement of the water main (and the access point in the locker room)
- Cleaning and disinfection of the ventilation system and ducts
- Installation of firewalls and fire doors between the expanded Adult and Vocational area and the high school
- Extensive work on the exterior envelope of the building

From what we understand, they will be installing a security fence around most of the building as it will be a full-blown construction scene, hard-hats mandatory. We have been searching for an adequate replacement location since we found out about the construction plans, but have not been able to find anything suitable in the area. As a result, Brookwood Basketball Summer Camp is taking a one-year hiatus for Summer 2017.

Trust that we will be back in the Summer of 2018 and better than ever. It will be our 25<sup>th</sup> year in 2018 and we look forward to providing your children with a fun, safe and entertaining place to learn the fundamentals of a game we hope they grow to love as much as we do.

Thanks in advance for your understanding. We look forward to seeing you in the Summer of 2018 to celebrate our 25<sup>th</sup> year together!

Yours in Basketball,

Amanda Maks
