Procedure

- ▶ The coach or assistant coach shall notify the scorer at the scorer's table of his time-out request.
- ▶ If the request for the time-out is made by either team after the ball is at the disposal of the free-throw shooter for the first or only free throw, the time-out shall be granted if:
 - The last or only free throw is successful
 - It is followed by a throw-in at the centre line extended
 - A foul is called between free throws. In this case the free throw(s) will be completed and the time-out will be permitted before the new foul penalty is administered
 - A foul or violation is called before the ball becomes live after the last or only free throw
