

## **Brookwood Basketball House League Player Rules**

1. Players must wear a full uniform including: Brookwood jersey, Brookwood shorts, socks and suitable court shoes, in order to participate in a game. Non-compliance will result in a non-shooting personal foul to each player with an infraction and these personal fouls will not be counted towards the team fouls of the first quarter. The referees will check all participating players prior to tip-off and apply all applicable personal fouls prior to the commencement of the game.
2. Hats, jewelry, bandanas and all metal objects are strictly prohibited. Medical alert bracelets and/or religious bracelets must be covered prior to the commencement of the game.
3. All t-shirts extending past the jersey must be the same color as the jersey. With the exception of the following color jerseys: orange, yellow and highlighter yellow. They are allowed to wear t-shirts matching the color of the number on the jersey.
4. It is the responsibility of the player to contact his/her coach if they cannot attend a game or practice. It is however, the responsibility of the coach to make sure that every player/parent on his/her team has the appropriate information in order for them to do so.
5. The coach, after verification with the player and/or parent of the player, can restrict a player to half (1/2) of a quarter of play in the game following an absence (without a legitimate reason) at practice(s) or at a game(s). This must be approved by the Convener of the level.
6. Players missing three (3) games, three (3) practices or a combination thereof (without a legitimate reason) may be dismissed for the remainder of the season. This will be done at the discretion of the Director and after notification to the Executive Board.
7. The Director of the house league, upon recommendation of the coach and convener, can suspend a player who does not adhere to the house league rules. The parents of said player must be contacted and advised of the decision made before finalization of the decision. Not being able to establish communication with the parent(s) of said player does not nullify the right of the Director to suspend the player.
8. Players may be advanced to the next age category. Players will neither be put back nor will they be held back an age category unless there is a medical or learning disability. In such a case, a doctor's certificate, or the equivalent, is required.
9. Siblings of the same age category will not be assigned to the same team. This is to prevent unnecessary defaulting of games by the team, in the case that the family is unable to attend the game. This rule however, does not apply to parents who are coaches.
10. Players instigating or participating in fighting, on Brookwood grounds (defined as in the school and parking lot) will automatically be brought before the disciplinary board for sanctions.
11. Swearing by players or coaches is prohibited. During a game, swearing will result in a technical foul.
12. All technical fouls will be reviewed by the Convener of the level for possible suspension.
13. Players removing any articles that do not belong to them, from the gym or school premises will be brought before the disciplinary board for sanctions.
